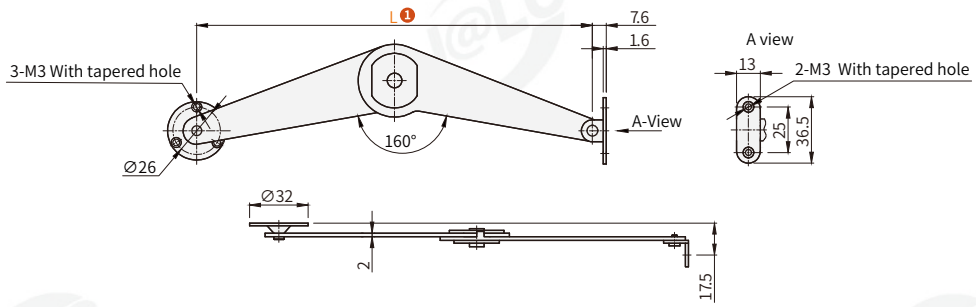
Order guide

D (Major category) RC (Category) E (Series) - L217 (1 Specification) - L (2 Left/Right)

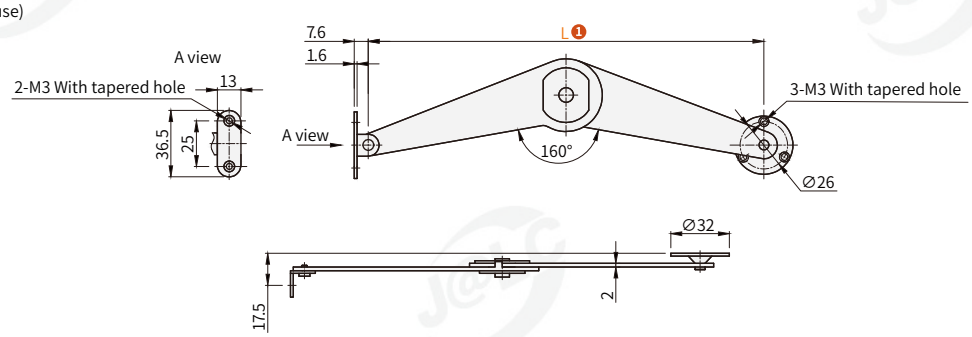
◉Please refer to the series code to select the type and parameters for ordering.

Code	Fixed way	Features	Material	Surface treatment
DRCE	Three-pointfixation	With fixed mechanism	Q235	Chrome

L(Left use)



R(Right use)



◉In the state of opening angle 160°, you can hear a click, which means the spreader bar has been fixed by the fixed mechanism.
◉If you want to release the fixation, you can hold the ends with your hands and force them together.

Visual standards: first perspective

Model		Left/Right 2	Ref. weight (kg/pcs)
Code	L 1
