

**E SL J - S1 - W - M6 - L60**

Major category (E) Series (SL) Surface treatment (J) Length (S1) Material (W) Nominal size (M6) Length (L60)

Order guide: (E) Major category, (SL) Category, (J) Material, (S1) Nominal size, (W) Surface treatment, (M6) Nominal size, (L60) Length

Please refer to the series code to select the type and parameters for ordering.

**E SL K - M6 - L12**

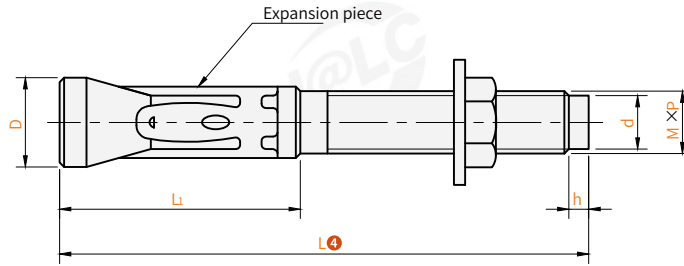

Major category (E) Series (SL) Length (K) Nominal size (M6) Length (L12)

Order guide: (E) Major category, (SL) Category, (K) Length, (M6) Nominal size, (L12) Length

Please refer to the series code to select the type and parameters for ordering.
