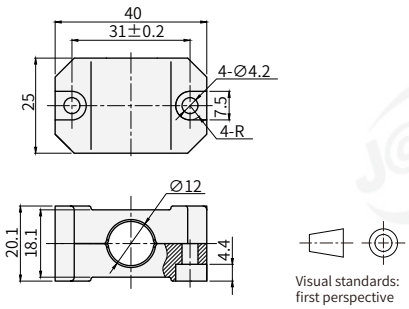
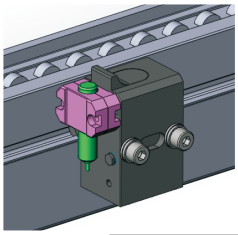
1 Specification
Please refer to the series code to select the type and parameters for ordering.

Sensor clamp for stopper

Code	Category	Color	Body material
TSZF01T	Sensor clamp for stopper	Black	Nylon



Usage example

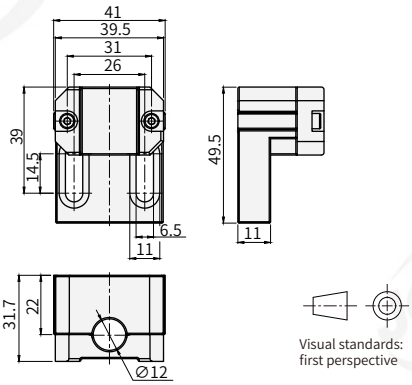


Model	
Code	Specification 1
TSZF01T	12

Use with the TSZA02 blocker for ultra-high compactness.
Matching with M12 proximity sensor to realize sensing the presence or absence of pallets.

Bottom sensor clamp

Code	Category	Color	Body material
TSZF01D	Bottom sensor clamp	Black	Nylon



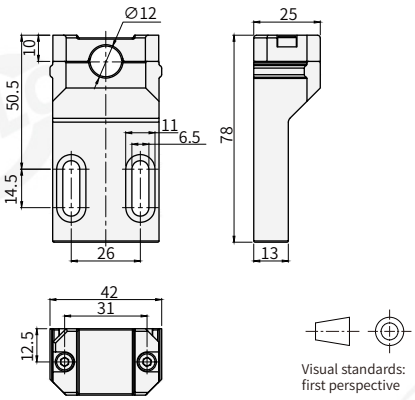
Usage example

Model	
Code	Specification 1
TSZF01D	12

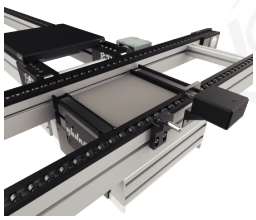
Matching with M12 proximity sensor to realize sensing the presence or absence of pallets.

Side sensor clamp

Code	Category	Color	Body material
TSZF01C	Side sensor clamp	Black	Nylon



Usage example



Model	
Code	Specification 1
TSZF01C	12

Matching with M12 proximity sensor to realize sensing the presence or absence of pallets.
